

Gift Voucher Template – User Guide

About This Template

This Gift Voucher template includes **01 professionally designed voucher** in fully editable **Adobe Illustrator (AI & EPS) and Adobe Photoshop (PSD)** formats. The files are easy to customize, allowing you to edit the text, colors, fonts, images, and other design elements to match your brand or business.

Files Included

- 01 Fully Editable Adobe Illustrator (AI) File
- 01 Fully Editable EPS File
- 01 Fully Editable Adobe Photoshop (PSD) File
- Print-ready design
- Well-organized and easy-to-edit layers

How to Edit the Illustrator Files

AI & EPS Files

Open the **AI or EPS file** in Adobe Illustrator.

1. Use the **Type Tool (T)** to edit the text.
2. Select text or design elements to change colors.
3. Replace the existing logo with your own.
4. Edit fonts, sizes, and other design elements as needed.
5. Save your customized design.

The AI and EPS files are fully editable and allow you to customize the voucher according to your requirements.

How to Edit the Photoshop File

PSD File

Open the **PSD file** in Adobe Photoshop.

1. Open the PSD file.
2. Locate the required layer in the **Layers Panel**.

3. Double-click the text layer to edit the text.
4. Change colors and other editable elements as needed.
5. Replace images or logos with your own.
6. Save your customized design.

The PSD file contains organized layers to make customization simple and convenient.

Customize Your Gift Voucher

You can customize the following elements:

- Business Name
- Logo
- Voucher Title
- Voucher Value
- Recipient Name
- Voucher Code
- Expiry Date
- Terms & Conditions
- Contact Information
- Website or Social Media Details
- Colors
- Fonts
- Images

Saving & Exporting

Once you have finished editing your voucher, save the editable source file so you can make future changes.

For printing, export your final design as a **high-quality PDF or JPG** according to your printer's requirements.

Important Notes

- Adobe Illustrator is required for editing AI and EPS files.
- Adobe Photoshop is required for editing the PSD file.
- Fonts used are only google fonts, free to download
- Please check all text, dates, voucher codes, and contact information before printing.
- Keep a backup of the original files before making changes.

Thank You

Thank you for choosing **MotiveFiles**. We hope this Gift Voucher template helps you create professional and attractive vouchers for your business.
